CONFERENCE | **SPRING 14**

CardinalHealth

Essential to care™

What makes someone a healthcare expert?

Take a brilliant mind and add education and experience.

Lee Murdaugh

Ask me about

Accreditation compliance; sterile compounding; medication safety; competence assessment

Natasha Nicol

Ask me about

Patient safety; just culture; preventing medication errors using technology; Disclosure; pharmacy consultative services

Patricia Kienle

Ask me about

Accreditation compliance; medication administration; medication safety; compounding; leveraging pharmacy as a strategic asset

Mary Baxter

Ask me about

Leveraging the hospital pharmacy as a strategic asset; population health; healthcare strategy; hospital operations

Meet our Experts 
on *Essential Insights*
[cardinalhealth.com/
pharmacyexperts](http://cardinalhealth.com/pharmacyexperts)

WELCOME

Welcome to St. Louis and our 2014 Spring Hospital Pharmacy Conference! We are so glad that you are able to join us. Special thanks to Cardinal Health, our title sponsor. Their continued support is invaluable to the success of this event.

We are excited to share that our Supplier Showcases continue to grow! They are open on Monday only from 12:00 noon – 4:00 pm in Grand D & E. This opportunity will give a few select supplier companies the chance to share their products, services and technology before the *Reverse EXPO*. Stop by to check it out, and if you are interested in having a showcase of your own next year, see us at the HCP table in the expo hall to let us know.

As always, this conference features two *Reverse EXPO* sessions, sponsored by Cantrell Drug Company, to help build relationships between providers and suppliers. During the *Reverse EXPO* sessions, the Pharmacy Directors, along with GPO Executives, will host the booths while the suppliers walk through the expo hall. This unique event is a fun change of pace from traditional expo formats and provides the best networking opportunity for both providers and suppliers.

Over the next few days, our conference will provide you with numerous networking opportunities as well as educational sessions led by some of the top healthcare executives and speakers in the nation. Topics include “ACOs – The State of the Union,” “Transitions of Care and the Role of the Pharmacist,” “Drug Diversion” and “Achieving Provider Status.” We are also proud to present Shep Hyken, *CSP, CPAE* as our keynote speaker for an entertaining session entitled “The Amazement Revolution”.

We hope you find this conference to be informative and useful in helping you make the connection. If you need assistance at any time, please stop by the registration desk and we will be happy to help however we can.

Sincerely,

Jason Green
Partner
Chief Sales Officer

Title Sponsor

HEALTH CONNECT PARTNERS

JASON GREEN
Chief Sales Officer
Hilton Head, SC

Jason Green holds the post of Chief Sales Officer for Health Connect Partners. He has extensive experience in the healthcare industry, working in both large corporate environments and small start-up healthcare organizations. Jason's ability to relate to customers and colleagues has allowed him to foster many long-term relationships throughout the healthcare industry.

Jason and his wife Dana have two children, Max (11) and Ella Kate (4), who keep him dedicated to a busy social calendar. Ella Kate is involved with soccer, gymnastics, dance recitals and anything that is music related. She loves to sing and can often be found with a microphone in her hand, singing and dancing to the newest hip songs. Max is involved in many sporting activities: soccer, hockey, basketball. Max's true passion is golf. When not doing his homework, he can be found with his bag and clubs at the course working on his game. Exciting times ahead as we look to qualify again for the US Kids World Tournament in Pinehurst, NC as well as the Jay Haas Thornblade Golf Tournament later this summer.

During the break in activity, Jason enjoys playing golf, snow skiing, and anything that involves water. He is actively involved in his community serving on many charitable volunteer boards. Jason is a graduate of Ohio University. He has an exciting year planned and looks forward to knocking off a few items on his bucket list: Pebble Beach, anyone?

David Mason is Co-Founder and CEO of Health Connect Partners. Prior to founding HCP, he was Founder and President of BCX Technology, Inc., a software automation company specializing in supply automation for acute care hospitals. He led the BCX team for eight years and sold the company in 2003 to Omnicell.

David and his wife Tammy have two wonderful children, Alexis (20) and Madison (13). Alexis is married to Zac Morgan and they live in Johnson City, TN where Zac attends physical therapy school at East Tennessee State University. Madison stays busy with music lessons and is very good at piano. An avid boater, David spends his time boating with his family, fishing, diving, lobster hunting, spear fishing, running, swimming, and cycling. David enjoys Corvettes and participates in autocross events in his 2007 Corvette with his local Corvette club. David is a graduate of Nashville State Technical Institute, Chairman of the Board for BCX Foundation (a nonprofit educational foundation for children), a Black Belt in Wado Ryu Karate and an Eagle Scout.

DAVID MASON
Chief Executive Officer
Lebanon, TN

NELSON HENDRY
President
Palm Harbor, FL

Nelson Hendry, Co-Founder and President, oversees the Providers registrations and participation at all HCP Conferences. Prior to founding HCP, he served as Regional Vice President of Corporate Sales for Omnicell, working with large IDN Health Systems and the major GPOs. He was awarded the 2005 Salesman of the Year Award for Omnicell's Specialty Sales. Nelson graduated with a Bachelor of Science degree from Florida State University in 1981.

Nelson and his wife Evelyn have three boys. Joseph (26) is a 3D video game artist at Pocket Gems in San Francisco, and enjoys weight lifting in his spare time. Justin (24) is a recent M.I.T. Graduate with a degree in Mechanical Engineering and is now an equity stock trader at KTG Trading Group in Austin, TX. Taylor (11) is about to complete the fifth grade in the gifted program at Brooker Creek Elementary and loves playing flag football, video games, and soccer. He will start 6th grade at Berkley Prep in Tampa in the Fall.

THERE'S AN **EASIER WAY** TO KEEP
TUBE DELIVERIES

OUT OF THE **'BLACK HOLE'**

MedEx TubeTrack

Looking to keep tube deliveries out of the hospital's 'black hole'? MedEx TubeTrack secures and tracks medications sent through pneumatic tube systems to guarantee they reach their intended recipient.

With no changes to your existing pneumatic tube system you can secure and track tube deliveries to their intended recipient. Eliminate delays in care and interruptions of you and your staff, ensure compliance and provide real-time delivery status to nursing and pharmacy.

JOIN US AT THE **CITY MUSEUM**

Come prepared to eat & **play the night away!**

On Tuesday night, May 6th, join us for an unforgettable evening at the City Museum, where the imagination runs wild!

Housed in the 600,000 square-foot former International Shoe Company, the museum is an eclectic mixture of children's playground, funhouse, surrealistic pavilion, and architectural marvel made out of unique, found objects.

Shuttles will run continuously between the Hyatt and the City Museum from 5:50 pm - 10:00 pm.

SPONSORED BY:

A national industry leader, PDM Healthcare has provided supply chain management, group purchasing, business consulting, revenue cycle management, marketing/advertising, professional education, and conferencing services to the healthcare industry for over 25 years.

We service the full spectrum of healthcare industry, from hospitals to alternate care, pharmacies and physicians, representing \$7 Billion in business transactions. Delivering quality, seamlessly integrated, innovative services has been a daily responsibility for PDM Healthcare since our inception.

PDM provides services leveraging experience in formulary management, public policy, legislative advocacy, community and professional education, and volume purchasing to create unique and successful programs that allow our clients to better analyze a product's attributes, cost-effectiveness, clinical efficacy, and market position through a complete, step-wise evaluation of a product's value in terms of market share, outcomes, and profitability to both the healthcare sector and manufacturers.

HEALTHCARE MANAGEMENT SPECIALISTS

TUESDAY MAY 6

OPENING REMARKS AND KEYNOTE ADDRESS

8:00 AM - 9:30 AM • Regency Ballroom
1.5 credit hours

Keynote Speaker: Shep Hyken, CSP, CPAE

Shep Hyken is a customer service expert, professional speaker and bestselling author who works with companies and organizations who want to build loyal relationships with their customers and employees. His articles have been read in hundreds of publications, and he is the bestselling author of *Moments of Magic*, *The Loyal Customer*, *The Cult of the Customer* and *The Amazement Revolution*. He is also the creator of The Customer Focus program which helps clients develop a customer service culture and loyalty mindset. In 1983, Shep founded Shepard Presentations and since then has worked with hundreds of clients ranging from Fortune 100 size organizations to companies with less than 50 employees. Some of his clients include American Airlines, AAA, Anheuser-Busch, AT&T, AETNA, Abbot Laboratories, American Express – and that’s just a few of the

LEARNING OBJECTIVES:

During this powerful session, attendees will learn:

- The difference between satisfied “customers” and loyal “customers”
- The importance of managing “interactions” with your “customers” (*Moments of Truth*, *Moments of Misery™* and *Moments of Magic®*)
- Specific tactics and tools that will help you and your team deliver an amazing service experience

A’s! He has been inducted into the National Speakers Association Hall of Fame for lifetime achievement in the speaking profession. He is known for his high-energy presentations, which combine important information with entertainment to create exciting programs for his audiences.

TUESDAY MAY 6

EDUCATIONAL SESSION: ACOS – THE STATE OF THE UNION

9:45 AM - 10:45 AM • Regency Ballroom

1 credit hour

TRUVEN[®]
HEALTH ANALYTICS™

Speaker: Ken Perez

Vice President

Omniceil, Inc

Ken serves as Vice President of Healthcare Policy for Omnicell, Inc., a leading supplier of comprehensive automation and business analytics software for patient-centric medication and supply management. In this thought leadership role, he supports the company's strategy, business development and marketing functions. Ken is a frequent speaker at healthcare industry events. He writes a column on health reform-related issues for hfm, and he contributes articles and commentary to numerous other publications, including Accountable Care News, Becker's Hospital Review, Healthcare Finance News, HealthLeaders, Modern Healthcare and U.S. News & World Report.

Ken previously served as Senior Vice President of Marketing and Director of Healthcare Policy for MedAnalytics, a provider of performance management solutions for the healthcare market. He has over 20 years of experience in business, serving in senior marketing, business development and finance roles for healthcare IT and technology companies. Ken earned his bachelor's degree in international relations from Stanford University and a master's in business administration with a concentration in finance from UCLA.

LEARNING OBJECTIVES:

During this session, attendees will learn:

- The societal and legislative drivers
- Comparison of Medicare and commercial ACO metrics
- The new math for hospital finances in ACOs
- Best practices
- The end game

TUESDAY MAY 6

EDUCATIONAL SESSION: TRANSITIONS OF CARE AND THE ROLE OF THE PHARMACIST

11:00 AM - 12:00 PM • Regency Ballroom
1 credit hour

Speaker: Michael Paasche-Orlow, MD, MA, MPH

Associate Professor of Medicine
Boston University School of Medicine

Michael Paasche-Orlow is Associate Professor of Medicine, Boston University School of Medicine. Dr. Paasche-Orlow is a general internist and a nationally recognized expert in the field of health literacy. Dr. Paasche-Orlow is currently a co-investigator with five funded grants that examine health literacy, including two intervention studies evaluating simplified information technologies for behavior change among minority patients with a range of health literacy levels. Dr. Paasche-Orlow is a member of the Project RED research team, a nationally recognized model to re-engineer the process of hospital discharge to improve the safety and efficiency of transitions of care. Dr. Paasche-Orlow's work has brought attention to the role health literacy plays in racial and ethnic disparities, self-care for patients with chronic diseases, end-of life decision making, and the ethics of research with human subjects. Dr. Paasche-Orlow is the Associate Program Director for the Boston University School of Medicine General Internal Medicine Academic Post-Doctoral Fellowship Program and the Associate Section Chief for Research for the Section of General Internal Medicine in the Boston University School of Medicine's Department of Medicine.

LEARNING OBJECTIVES:

- Understand federal policies regarding care transitions.
- Understand the evidence behind the ReEngineered Discharge (Project RED) and other evidence based care transition models
- Examine the roles of pharmacists in improving care transitions

TUESDAY MAY 6

EDUCATIONAL SESSION: DRUG DIVERSION

1:15 PM - 2:30 PM • Regency Ballroom
1.25 credit hours

Speaker: Stephen A. Carlson, RPh, MHA

Director of Pharmacy Services

Northeast Georgia Medical Center (NGMC)

Steve Carlson is the Director of Pharmacy Services at Northeast Georgia Medical Center (NGMC) in Gainesville, Georgia. He received his Pharmacy Degree from Philadelphia College of Pharmacy and Science (USP) and a Masters in Healthcare Administration from St. Joseph's University in Philadelphia. He has been at NGMC for 8 years. He is President for Georgia Society of Health System Pharmacists and chairman of Pharmacotherapeutics Committee of Georgia Hospital Association. Steve has given numerous presentations to both state and national groups.

During his tenure at NGMC, Steve has been responsible for the upgrade of the pharmacy information system, the bar-coding at the bedside upgrade and the installation of smart pumps throughout the enterprise. Financially, he has reduced costs by over \$3,000,000

per year by instituting 340b, as well as creating an employee pharmacy, and thorough formulary management. Prior to NGMC, Steve served in various roles at St. Luke's Hospital and Health Network in Bethlehem, PA. His last position was Associate Vice President and Director of Pharmacy.

LEARNING OBJECTIVES:

- Understand the prevalence of drug abuse in healthcare
- Learn how to develop a drug diversion program
- Detect drug diversion
- Learn helpful interviewing methodology
- Understand important reporting requirements

PLEASE NOTE:

BE SURE TO HAVE YOUR NAME BADGE WITH YOU AND SCANNED BEFORE EACH EDUCATIONAL SESSION.
CE CREDIT WILL BE AWARDED BASED ON BADGE SCANS PER DAY.

WEDNESDAY MAY 7

EDUCATIONAL SESSION: ACHIEVING PROVIDER STATUS

8:00 AM - 9:00 AM • Regency Ballroom
1 credit hour

GRIFOLS

Speaker: Joseph Hill

Director of Federal Legislative Affairs

American Society of Health-System Pharmacists (ASHP)

Joseph Hill currently serves as director of federal legislative affairs for the American Society of Health-System Pharmacists (ASHP). He advocates ASHP's positions on critical issues before members of Congress and their staff. Prior to that, he was government affairs manager for the American Society of Consultant Pharmacists, where he represented ASCP before state and federal legislators.

Mr. Hill holds a Master of Arts degree in political science from the University of Tennessee and a Bachelor of Arts in political science from Indiana University of Pennsylvania.

LEARNING OBJECTIVES:

- Gain an historical perspective of provider status efforts and how it has evolved over the years
- Explain the barriers to provider status
- Discuss plans to address them

Educational Review Systems is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education. This program is approved for up to 5.75 hours (0.575 CEUs) of continuing pharmacy education credit. Proof of participation will be posted to your NABP CPE profile within 4 to 6 weeks to participants who have successfully completed the post-test. Participants must participate in the entire presentation and complete the course evaluation to receive continuing pharmacy education credit.

ACPE # 0761-9999-14-155-L04-P to 0761-9999-14-159-L04-P

Over the past year, this committee volunteered their valuable time to help us create an outstanding agenda. We appreciate their energy and want to recognize this esteemed group for all their hard work. Without their expertise, this event would not have been possible.

Expect more from your drug information.

There's too much on the line to trust out-of-date drug information resources. Elsevier's Gold Standard takes a different approach to deliver the cohesive, comprehensive information that you, your care teams, and your patients need.

Better information.

Elsevier's Gold Standard delivers comprehensive reference, patient education, and pricing information at the point of need ensuring that you have the right information at the right time.

Better technology.

Elsevier's Gold Standard offers an advanced suite of online reference resources designed to fit your workflow – including integration with your EHR.

Better decisions.

We give every member of your staff the specific information that they need to make smarter, faster decisions – leading to better outcomes.

Go ahead. Challenge the status quo – get the comprehensive, timely drug information you need to protect patients, improve consistency, and control costs.

Visit goldstandard.com to see how it all works.

Which path do you want your pharmacy staff to follow?

- Do you want your pharmacists and technicians to devote more time in certain high value areas?
- If they had more time, could your staff make a bigger impact on reducing drug costs and improving patient care?
- Are your pharmacists and technicians spending too much time on unit-dose packaging and bar coding?

Let Safecor Health help you save on drug packaging costs, reduce packaging errors and improve your staff utilization.

Available Repackaging Formats

- Oral Solids
- Oral Liquid Cups
- Oral Syringes
- Standardized Pediatric Doses
- Rx RFID Tagging Services
- Robot Packaging
- Respiratory Medication Bar Coding
- Schedule II-V Repackaging

Repackaging Program Highlights

- Place orders through your wholesaler
- Service Awards with all major GPO's
- Multi-site and multi-state health system capabilities
- Services billed through your wholesaler
- All bar code types and customized bar code content available

Supplying the industry with the most important pharmacy tool:

People.

We don't just fill your positions. We fulfill your needs.

At Soliant, people are our business. We treat our pharmacy talent and you, our customer, in the same manner as you treat your customers and patients: with respect and special care.

Call us and experience the Soliant difference for all of your pharmacy staffing needs:

- Per diem / part-time / full-time
- Travel
- Permanent placement
- Interim director / management positions

No matter what position you need to fill, there's one name for it. Soliant Health.

With divisions focusing in pharmacy, physician search, travel nursing, imaging, rehabilitation, respiratory therapy, and laboratory, we have the ability to fill any position within your facility.

Sound different? We are.

Call us today at 877-340-0521 or visit us at www.soliant.com to find out more.

Do **more** with less.

Cardinal Health Drug Cost Control Solution

As you are forced to do a lot with a little, you want to make sure you use the right tool for the job. The Cardinal Health Drug Cost Control Solution achieves cost savings for hospitals and can significantly improve patient outcomes and decrease lengths of stay. Through the use of analytics to benchmark drug utilization by physician and DRG, we help hospitals implement and achieve savings of three-to-five percent — or more — on annual pharmaceutical expenses.
